Dear Sir/Madam,

I am writing to you to show my support for the Salford Station Campaign, I am the President of the Students' Union at Bath Spa University and I personally feel that re-opening the Salford Station would be beneficial to the students and staff at Bath Spa University.

It would allow people travelling from Bristol and surrounding areas to stop at a closer station, which would give them an opportunity to walk or cycle to Bath Spa.

Opening the station could create an opportunity for a bus route between the station and the University which could offer a commercially viable income stream to a provider promoting sustainable transport.

This would in turn allow access to cheaper accommodation outside of Bath for staff and students and offer part of a solution to the lack of supply of affordable housing in Bath.
